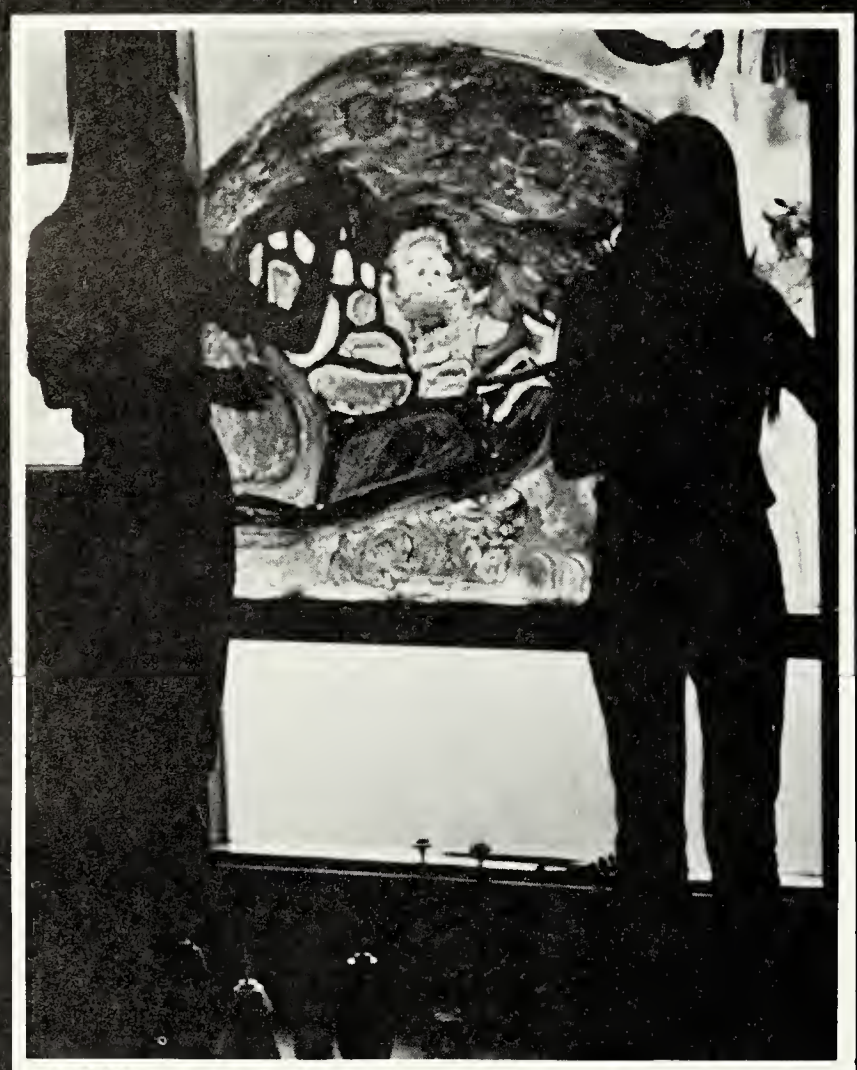
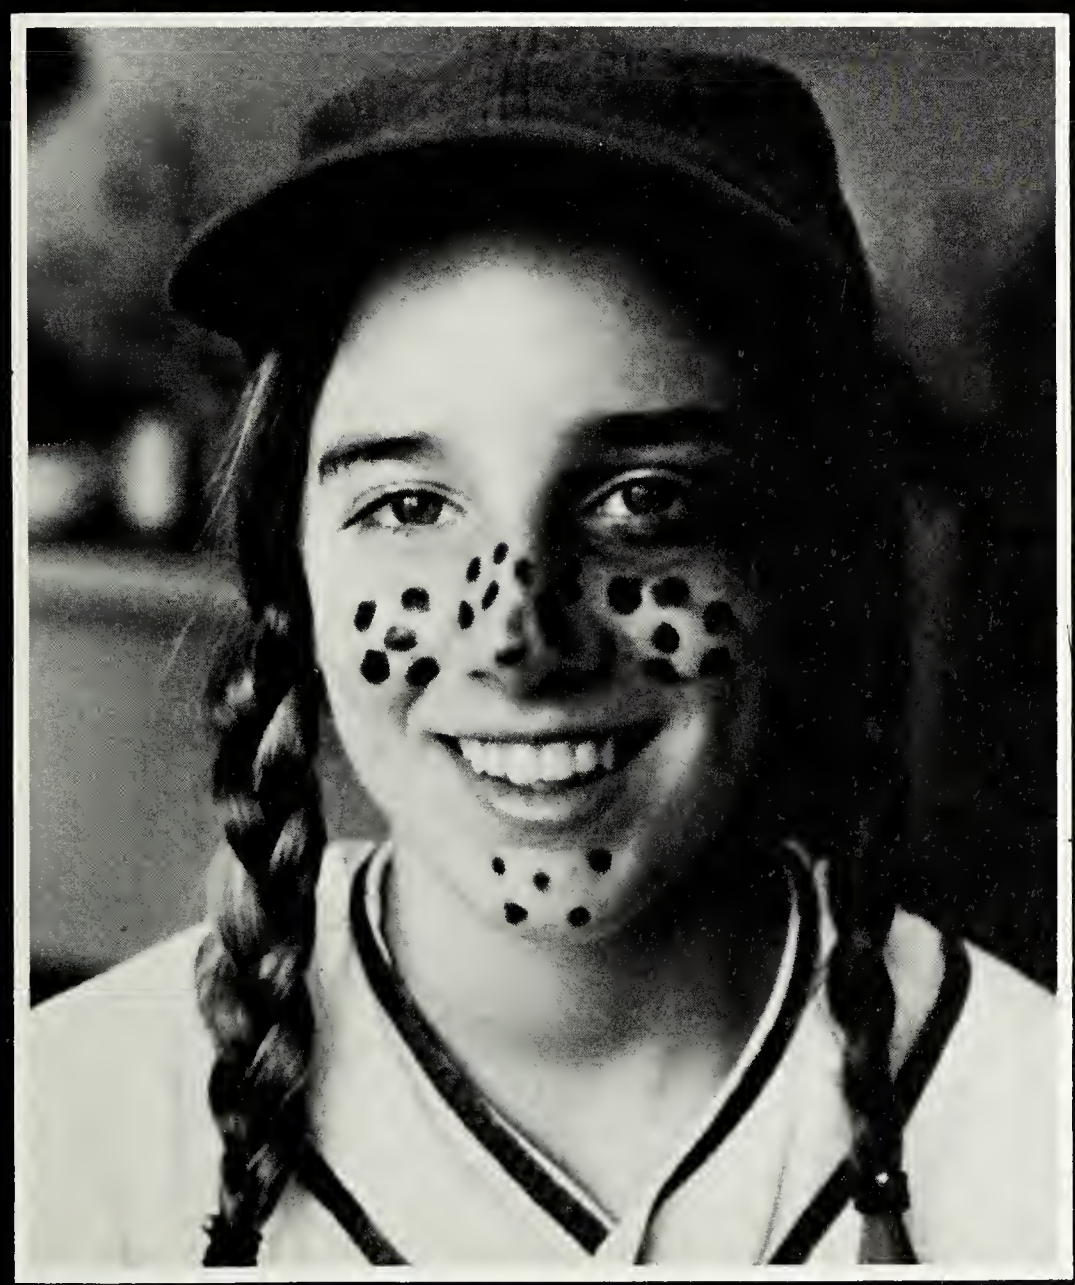
TALON 1974

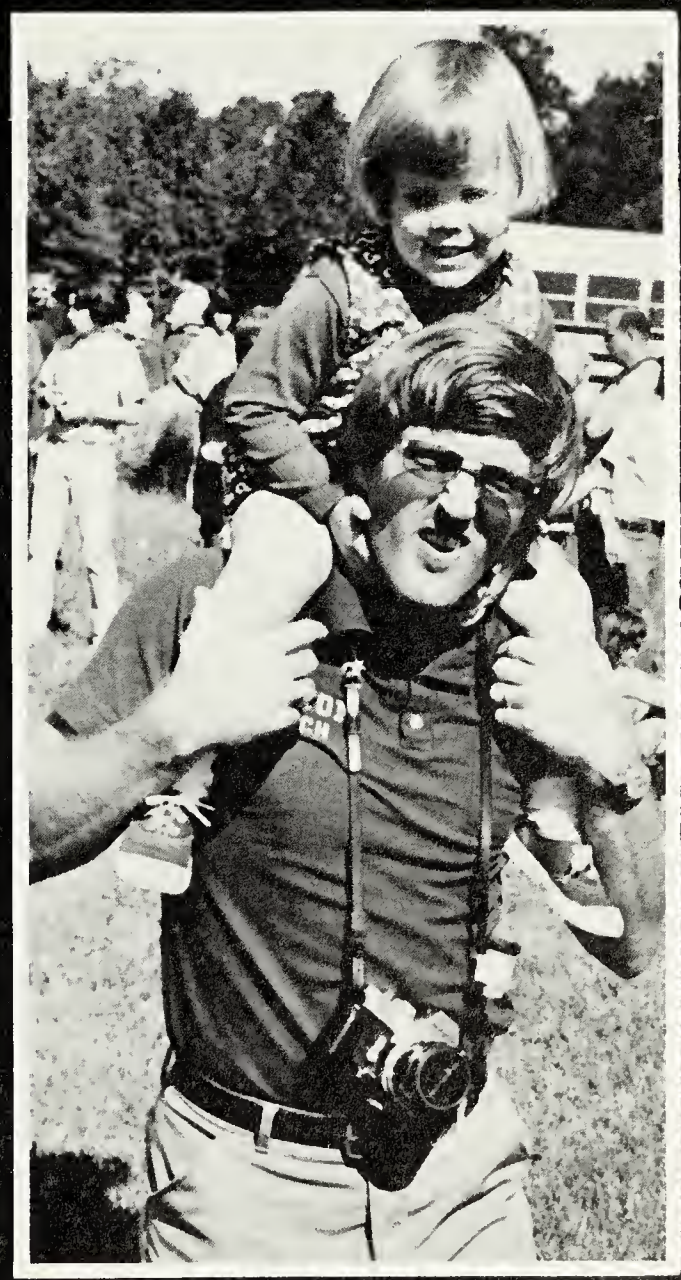
VOLUME XII.

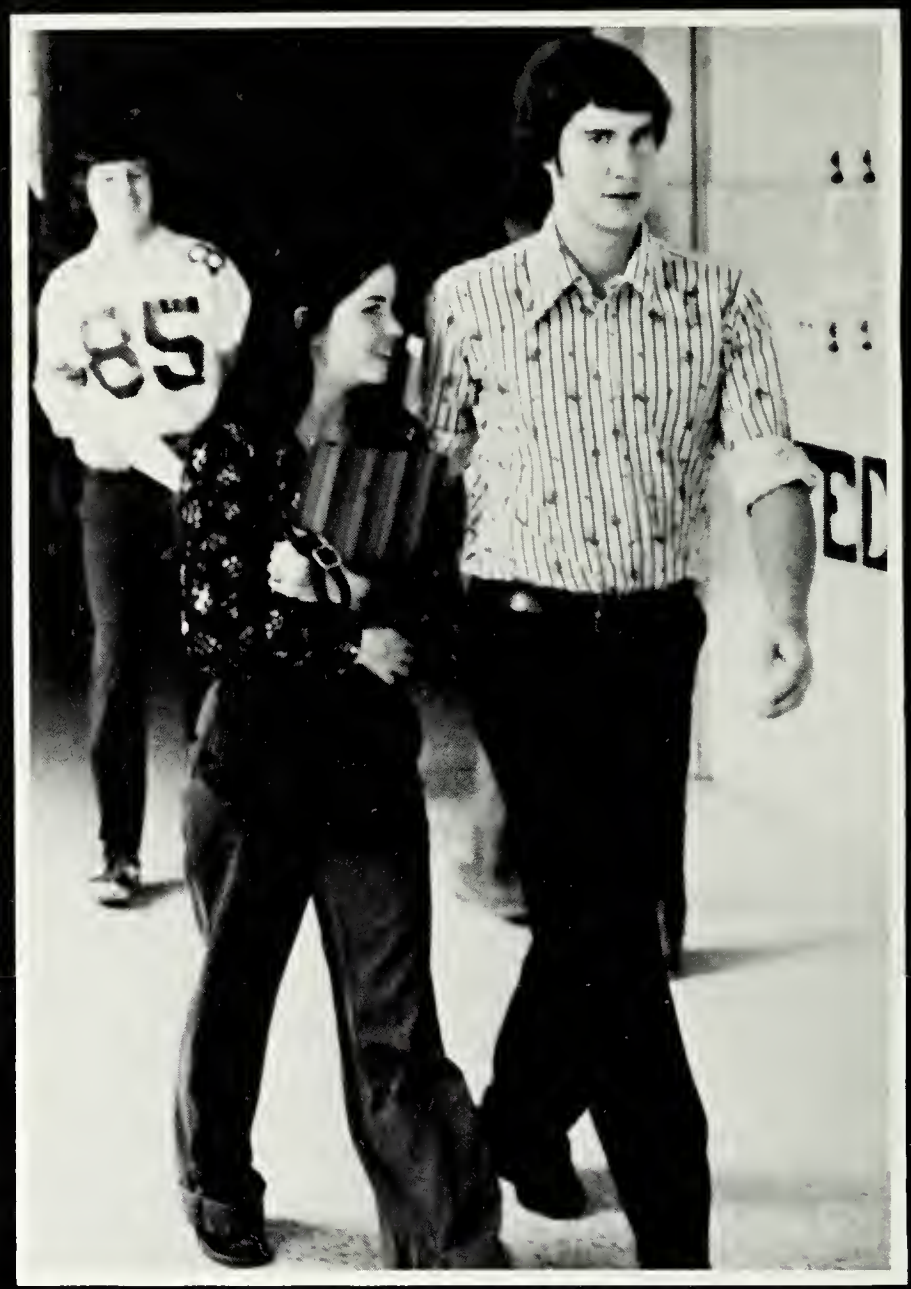
Mem'ries–like the corners of my mind;
Misty water-colour mem'ries of the Way We Were.
Scattered pictures of the smiles we left behind–
Smiles we gave to one another–
Oh the Way We Were . . .



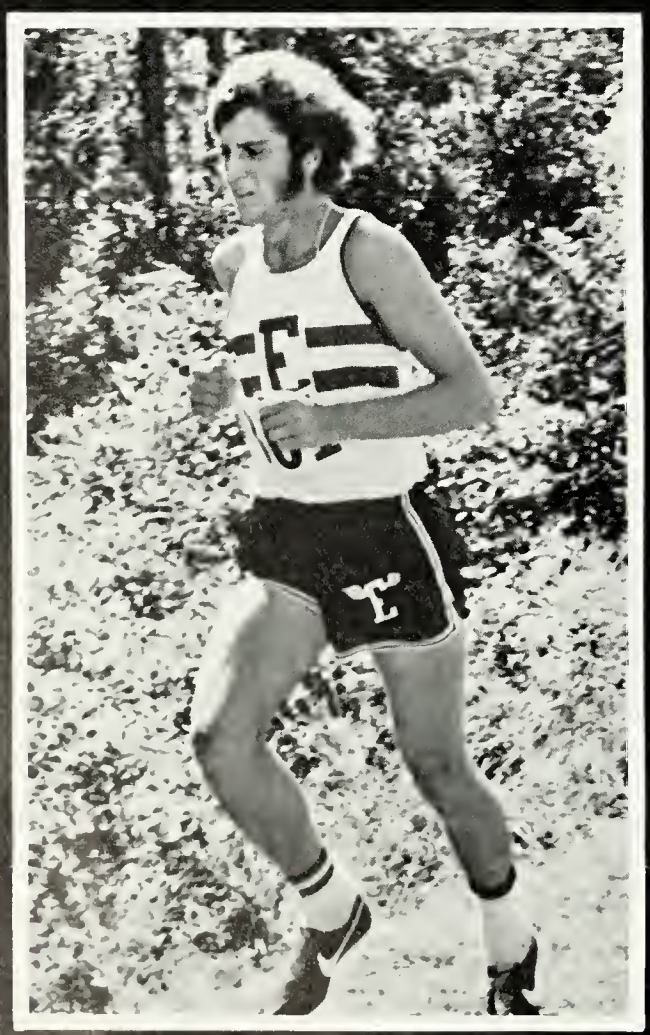
Could it be that it was all so simple then
or has time re-written ev'ry line.
If we had the chance to do it all again tell
me would we—could we . . .

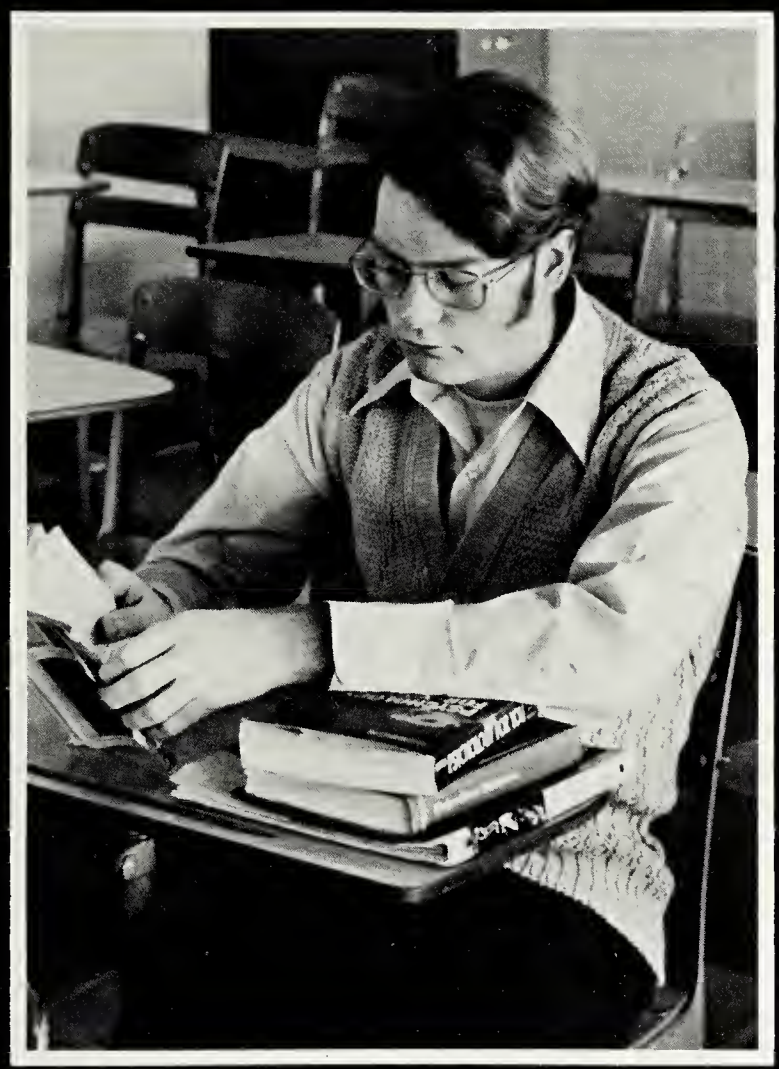


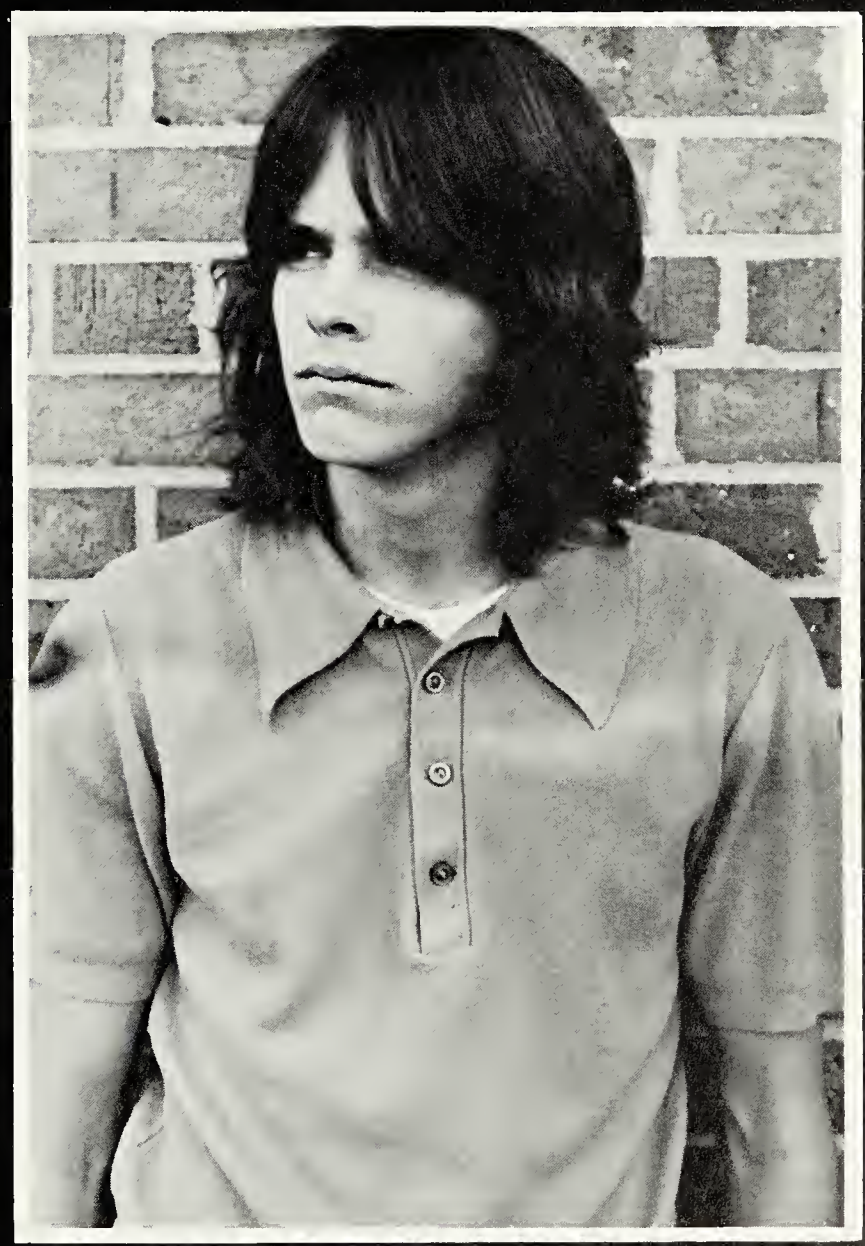




Mem'ries may be beautiful and yet
What's too painful to remember—we simply
chose to forget.







So it's the laughter we will remember
whenever we remember—the Way We Were . . .
The Way We Were.

STUDENT-FACULTY BASKETBALL GAME

. . . Faculty members ready to win . . . students determined to win . . . gym tightly packed . . . the game begins! A team of faculty members show great perserverance against a strong team of students. The scores were very close throughout the game . . . competition was tough . . . with only seconds left, the students team scored and claimed a victory over the faculty members.

Jim Crowley attempts to grab the ball from Coach Paszak.

One of the great faculty cheerleaders, Mrs. Parker!

Determination.

Charlie, Linn and Don strive to win.

UGLY MAN DANCE
WINTER WEEK

Winter Week began on Tuesday with the Student-Faculty Basketball Game. The scores were very close throughout the game . . . Students, victorious . . . Other Winter Week events included Class Night in which representatives from each class competed in crazy races and contests. The Junior Class was victorious, and Seniors took second place. The Ugly Man Dance on Friday wrapped up Winter Week as girls gathered up their nerve to ask that special guy to the dance. That night, Chris Reddick was named the Ugliest of the Ugly.

The Man Behind the School

Mr. Chesley

During the summer months, anyone visiting the school might have thought it deserted, but back in the inner reaches of the main office was a hidden core of activity in the office of the principal.

The staff has been hard at work throughout the summer, making preparations for the new school year. Working closely with our new SGA officers, Mr. Chesley began preparing early for our return. His plans and goals are, for the most part, an enlargement on those put into effect last year. He hopes to support the SGA as a central part of the school, not the private and separate operation it has been in the past. He feels that the SGA, as an elected representation of the student body, should reflect the wishes and goals of the students and truly represent them and the school.

Another project he has worked on is an improvement on last years smoking area arrangement. He met with student representatives to discuss the "deplorable" conditions, and a decision was made to discontinue the use of the areas along the back of the building where the buses unload. The other areas remain unchanged and Mr. Chesley is confident that those who use the smoking areas will also exercise the responsibilities that go with this privilege.

He is also continuing to support the increase of student participation and school spirit. He believes schbol spirit can be defined as the "combined result of the way a person feels about himself." Each of us must feel satisfied with our own part in the school program first and only after this can we take pride as a whole in our school.

Mr. Chesley welcomes the new additions to the teaching staff. He is confident that they will add a great deal to the year we are beginning. He also has great hopes for the three new programs added to the curriculum (printing, practical nursing and plumbing), and feels sure the students will benefit from them.

He hopes this year to be able to get to know more of the students and to develop a spirit of cooperation between the students and the staff. With the aid of enthusiasm and support from the students he expects to make further inroads on the plans we made a good start on last year. All in all, Mr. Chesley believes we had a good year last year and that this year will be even better. He takes as a guide [illegible]

NOTES OF INTEREST

The Guidance Department is looking forward to working with you for this, the '73-74 School Session. To help you to know who to see, the following is the Counselor Assignment (by last name): Ninth grade—Mr. Damico; Tenth grade A-G, Mrs. Cirelli; H-Z Mr. Damico; Eleventh and Twelfth grade—A-F Mrs. Witrel, G-O Mr. Henderson, and P-Z Mr. Yeatts.

IMPORTANT DATES

A Career Program will be soon at Edison—watch the CURRENT for announcements. College Boards will be given November 3, December 1, January 12, February 2, April 6, May 4 and June 22. Achievement tests will be offered October 29, December 8, February 23, April 27, and June 15. To be certain of the [illegible]

Freshmen Activities Coming Soon

One question on entering Edison that many Freshman may ask is what can we do? How can we get involved? Class politics is one division of our extra-curricular activities that are open to Freshmen. Petitions for president, vice-president, secretary and treasurer may be picked up in the SGA room which is located down the hall to the left of the main lobby, this week. An assembly is planned for Wednesday the 12th of September where all candidates will give their speeches. Voting is the following day in the cafeteria. Also Freshman homeroom representatives will soon be elected, this is an activity of the Student Government Association.

The Magazine Drive will soon be arriving (Sept. 22 - Oct. 2) and this is a fun way to help your school and class make money and for you to win prizes. Everyone can sell magazines, but if you would personally like to help with this activity, contact Belinda Dolinger or Linn Allee.

Radio-Edison was a brand new concept last year. Things should be underway and in full swing with the help of Alan Davenport and Mike Lacy. Radio-Edison operates during all three lunch periods and its purpose is to inform students of various activities and to play music for entertainment and enjoyment during the lunch break. This is yet another activity that you can involve a Freshman.

The Debate team is open to any person who has a talent for speaking and arguing. See Mr. Reeder in room [illegible] if interested.

Last but not least [illegible] Edison has various sports activities that you can try out for. Try-outs for JV and Varsity Field Hockey will be soon; girls, so watch for announcements. Coach [illegible] will be glad to have [illegible] the Cross Country [illegible] contact Coach [illegible] football is your sport.

Edison Welcomes New Faculty

The start of another school year brings about many changes, in curriculum, student enrollment, and faculty. This year proves to be no different. With the completion of the new Lake Braddock High School and offers for advanced positions, many of Edison's teachers have left. The remaining gaps have been filled with many new faces.

Although most departments are experiencing faculty changes, the English department is leading the race with four new additions. The first lady is not totally new, for she substituted [illegible] include Mr. John Matthews, Mr. Don Humbertson and Mrs. Virginia O'Keefe.

The social studies department has acquired two new members. Mr. Waino Remes, who substituted and student taught for Mr. Taylor last year will be joining the staff, as will Mr. Mike Wells, a graduate of Edison.

New replacements in the science department include Miss Rosemary Duvaney and Mr. Larry Nottingham. The Business Education department will also welcome a new teacher when Mrs. Clara Youngblade starts her [illegible]
